

Guardian Christian Academy 2018-2019 High School Supply List (Grades 9-12)

The supplies listed below are the minimum required for classroom use at the high school level. Since course load differs from student to student, additional supplies may be required for electives and certain classes not taken by all in the grade level. Classroom teachers may distribute additional supply lists for individual classes the first week of school, and in the case of electives, the first week of each semester. There will be times when additional supplies are needed as replacements, or when an additional learning opportunity presents itself such as in the case of projects and science fair presentations. Labeling supplies is helpful for all students, including those at the high school level.

Supplies to be submitted to homeroom teachers on Orientation Night:

- Package of dry erase markers (at least 4 colors)
- 2 large boxes of tissues
- 2 rolls of paper towels and 2 containers of Clorox/Lysol wipes

Supplies to be placed in lockers on Orientation Night or brought on the first day of school:

- Book bag
- Water bottle (clear plastic and leak proof) - *Optional*
