Membership in this chapter is an honor bestowed upon deserving students by the faculty and shall be based on the criteria of scholarship, service, leadership, and character.

Section 2.

Membership in this chapter shall be known as active, honorary, and alumni. Active members become alumni members at graduation. Honorary members are selected at the discretion of the faculty council. Alumni and honorary members have no voice or vote in chapter affairs.

Eligibility:

- i. Candidates eligible for selection to this chapter must be members of the rising junior or senior class.
- ii. To be eligible for selection for membership in this chapter, the candidate must have been enrolled for a period equivalent to one year at Guardian Christian Academy.

Article V: Selection of Members

Section 1.

The selection of members to this chapter shall be by a majority vote of the faculty council, which consists of five confidential faculty members appointed by the principal and the chapter adviser. The chapter adviser shall be the sixth, non-voting, facilitating member of the faculty council.

Section 2.

The selection of active members shall be held once a year following the second semester of the school year. Eligibility checks are conducted immediately after the fourth quarter for all sophomores and juniors and the selection process is conducted henceforth.

Section 3.

Prior to selection, the following shall occur:

- i. Students' academic records shall be reviewed to determine scholastic eligibility.
- ii. All students who are eligible scholastically will be notified and recognized by the chapter adviser.
- iii. After being notified of their eligibility, students may decide to complete and submit the candidate application to be considered for induction.
- iv. The chapter adviser receives all candidate applications. Next, he or she checks all community service hours to confirm they are up to date. Failure to complete previous community service hours disqualifies a candidate from NHS induction.
- v. The chapter adviser takes remaining candidate applications before the faculty council. The faculty council reviews the candidate applications and other relevant information to determine those who fully meet the selection criteria for membership. The faculty council will determine selection based not only on information provided in the candidate application, but also shall consider their own observations of each candidate's demonstration of scholarship, character, leadership, and service.
- vi. The principal approves the faculty council's decisions.
- vii. Invitations to an NHS Induction Ceremony are sent to all approved candidates.

Section 4.

Candidates become members when inducted at the NHS Induction Ceremony. Candidates will receive a certificate of membership and be asked to pledge an oath to uphold all responsibilities required of them as members of National Honor Society. Outgoing membership transfers. An active member of the National Honor Society who transfers from this school shall take their certificate of membership to their future school as proof of membership.

Section 5.

Incoming membership transfers. An active member of the National Honor Society who transfers to this school will be automatically accepted for membership in this chapter upon notification, in a timely fashion, to the chapter adviser of his/her membership. The transferring student must provide the adviser proof of membership in the former chapter, whether it be by a membership card, certificate, school transcript, or letter of transfer. The transferring student will then receive a membership certificate for the Knights Chapter of NHS. In the case of differing requirements between NHS chapters, the student is given an acceptable amount of time to meet qualifying standards for membership within our chapter.

- ii. Students may not transfer external community service hours into NHS hours - NHS hours are in addition to their normally expected community service hours in Bible.
- iii. All hours must be signed off and witnessed by a supervising adult. The chapter adviser is permitted to follow up on any questionable submissions. Pending discussion with the Faculty Council, chapter adviser, and principal, a student may be dismissed from NHS service if found to be lacking integrity in the report of community service hours.

Article VIII: Officers

Section 1.

The officers of the chapter shall be president, vice president, and secretary.

Section 2.

The first meeting of the year will focus on the next induction ceremony and the up-coming election of officers. Student officers shall be elected at the second meeting of each school year. All returning members in good standing with the chapter are eligible to run for a position as an officer. Any active member may also nominate an eligible member as a candidate for office if there are no members voluntarily running. The position of vice-president from the previous year is expected to fill the role of president in the subsequent year. As such, the position of the new vice-president can only be selected from the junior class members. Other positions can be from either class. At this second meeting, all officer candidates must give a speech communicating his or her qualifications, plans, and goals intended for the desired position. The past vice-president will be promoted to president for the current year.

Section 3.

Voting shall be by secret ballot. A majority vote shall be necessary to elect any officer of this chapter. If the first vote does not yield a majority, a second vote shall be taken of the two candidates receiving the highest number of votes.

Section 4.

Officer duties:

- i. President - The chapter president must maintain a delicate balance between leading and encouraging other officers, members, and interested students to take on leadership responsibilities. The president's responsibilities extend beyond the students within the chapter. The chapter president must know how to handle many types of situations, be mature, be organized with good time management skills, have sound judgement, have energy, be able to work with many different people and personalities, and have a good relationship with chapter, faculty, and student body. The president is the point-person and face of the organization at our school, and leads all meetings of the National Honor Society.
- ii. Vice President - The vice president's primary role is to serve as the official replacement for the president should the president fail to function or be unable to fulfill his or her responsibilities. The vice president, more than any other officer, has the opportunity to be creative in the position beyond the primary job description. The vice president is the president's closest student adviser and assistant. The vice president and president must work very closely together to create a productive Honor Society. While the president serves as the public face of the organization, the vice president serves as the behind-the-scenes person who plans, organizes, schedules, and oversees to make sure the chapter work is done. To be successful in this role, a vice

president must know how to handle many types of situations, be mature, be organized with good time management skills, have sound judgement, have energy, be able to work with many different people and personalities, and have a good relationship with the president, chapter, faculty, and student body.

iii. Secretary - The secretary's primary responsibility is to keep the official records of chapter business, take the minutes at every NHS meeting, and serve as the official correspondent for the chapter. The historical memory of the Honor Society on our campus depends on the quality of the secretary's performance. The job requires accuracy, neatness, and completeness. The secretary is expected to be the keeper of the records and the designer of the agenda, be organized, know nearly everything about every meeting, be alert to the calendar and progress of committees, be knowledgeable about meeting procedures, and spend time planning and organizing our chapter's work.

Section 5.

Officers and the NHS Adviser shall collectively be known as the chapter's executive committee. The executive committee shall establish annual goals for the chapter and have general charge of the meetings and the business of the chapter. Any action by the executive committee is subject to the review of the chapter members.

Article IX: Meetings

Section 1.

Regular meetings of this chapter will be held, at minimum, of once per quarter. Special and additional meetings can be called by the president with approval of the chapter adviser.

Section 3.

Members are expected to attend all chapter meetings.

Section 2.

If a member's cumulative grade point average falls below the standard in effect when he or she was selected, he or she will not receive recognition for outstanding academics or for consecutive NHS eligibility. However, if he or she completes all required community service, he or she will still be permitted to graduate with NHS recognition. If a member's cumulative grade point average falls grossly below academic standing for NHS, further disciplinary actions or dismissal, may occur at the discretion of the chapter adviser and faculty council.

Section 3.

Violations of the law or school regulations can result in immediate consideration of the dismissal of a member. These violations include, but are not limited to DWI; stealing; destruction of property; cheating; truancy; or possession, selling, or being under the influence of drugs or alcohol at school, school related activities, or in the community.

Section 4.

Offenders of the school conduct code (such as use of profanity, failure to comply, unexcused absences, excessive tardiness, etc.) will receive written warning notification. A conference may be requested by the faculty council, student, or parent. If the member continues to be in violation of the school conduct code, the member may be considered for dismissal.

Section 5.

Chapter officers, as representatives of the chapter, can be removed from their positions as a consequence of disciplinary action taken by the faculty council.

Section 6.

In all cases of pending dismissal:

- i. The member will receive written notification from the adviser indicating the reason for consideration of dismissal.
- ii. The member will be given the opportunity to respond to the charge against him or her via a written statement addressed to the chapter adviser and faculty council. The faculty council will then vote on whether to dismiss the student. A majority vote of the faculty council is needed to dismiss any member.
- iii. The results of the faculty council vote will be presented to the principal for review and then stated in a letter sent to the student and parents. Dismissed members must surrender any membership certificates, emblems, and awards to the NHS adviser.
- iv. A member who is dismissed or resigns may never again be considered for membership in the National Honor Society.

Section 7.

In lieu of dismissal, the faculty council may impose disciplinary sanctions upon a member as deemed appropriate.

Article XI: Approval and Review

Section 1.

These bylaws will be **approved** upon receiving a two-thirds affirmative vote of all active members of the chapter, a majority affirmative vote of the faculty council, and approval by the Guardian Christian Academy administration.

Section 2.

These bylaws shall be reviewed and if necessary, revised within five years from the date of approval noted on this document.

ARTICLE XII: AMENDMENTS

These bylaws may be amended by a two-thirds vote of the chapter, provided notice of the proposed amendment has been given to members at least one month prior to the vote. The exceptions are Articles IV, V, and X, which are developed by the faculty council with the approval of the principal.
